

# Why choose MEMORABLE IMPRESSIONS

- **Experience**

- Over 8 years and thousands of lines on albums – One Line at a Time.
- We know albums, and what it takes to make them look *fabulous!*

- **Quick Local Service**

- Turnaround time is always within 5 days, often within 2 days. We always try to accommodate those last-minute “album emergencies” (Just ask the folks who had “while-you-wait” service on December 24 at 10:00 P.M.).
- Special album pickup and delivery is also available.

*Dresden, Ohio*

- **Fully customized imprinting**

- Every phrase you want EXACTLY where you want.
- No position limits anywhere on the album or spine (want your text at a 45 degree angle? – Just ask!)

- **Imprinting on any CM album and almost every other brand**

- Including discontinued and limited editions

- **100% guarantee (as it has always been)**

- We're not satisfied until YOU are satisfied

- **Personalized consultation**

- When you work with Memorable Impressions, you get a conversation with a live human being, not some impersonal website.
- We always call and discuss options and alternatives with you.

- **More foil color choices**

- Over a dozen foil colors, including Tanzanite Blue and specialty Rainbow and Holographic foils.
- Want to mix colors on an album? No problem!
- We never tell you that you have to have a particular color with any album.

- **More font choices (size and placement)**

- Put your main title in a large font and a second line in a small one – or a different font entirely! Anywhere on the album.

- **Over 100 graphic choices (including custom art unavailable anywhere else)**

- Your album will reflect your tastes, not some factory's.

- **Borders and embellishments**

- How about some stars by a name, or a decorative scroll or border?

- **No hidden shipping, handling, or “custom” box charges**

- We don't try to make money on shipping or so-called special boxes. We only charge what it costs us.

- **Competitive Prices**

- One line of imprinting on a cover plus one on a spine will total \$18 with no shipping charges (for local service). How much does your mail-order service charge?
